Entry: Step into the frame from the left-hand side
(Address the camera as your audience)

Introduction: Welcome to India's Largest Quiz EVER! In the next two minutes, we will be playing Quiz Marathon with some of the brightest young minds of **CITY** (name of your city). Presenting the three teams at play today: team blue, green and red. The rules are simple, the team with the fastest buzzer gets the chance to answer. If they give the right answer in five seconds after pressing the buzzer, they get five points. Upon failing to answer or providing the wrong answer, the team who presses the buzzer next shall get their chance. If both teams fail to provide the right answer, the question will be null and void.

Questions:

1. **Which of the following festivals is celebrated in Manipur state in the months of April and May?**

a) Ziro Music Festival (Ziro Music Festival is celebrated in the state of Arunachal Pradesh.)

b) Lai Haraoba (The Lai Haraoba is an important religious festival celebrated primarily among the Meitei community.)

c) Dree Festival (Dree Festival is associated with the state Arunachal Pradesh.)

d) Moatsu Mong (The Moatsu is a festival celebrated by Ao people of Nagaland.)

2. **A collection of what everyday use item is exhibited in the Sulabh International Museum in Delhi?**

a) Trains (The National Rail Museum in Delhi has a delightful collection of engines, train trivia and a real running toy train)

b) Dolls (the Shankar International Dolls Museum was set up by cartoonist K. Shankar Pillai in 1965)

c) Toilets (It was set up by Dr. Bindeshwar Pathak in 1992. According to Time magazine, the museum is one of the weirdest museums among the “10 museums around the world that are anything but mundane”)

d) Handicrafts (The Crafts Museum celebrates the handicrafts and handlooms of India. Apart from looms and fabrics and an information centre, it also has a quirky restaurant serving regional delicacies from around the country)

3. **What is the splitting of light into its constituent colours known as?**

a) Diffraction (Diffraction is the slight bending of light as it passes around the edge of an object.)

b) Dispersion (Another name for it is the prismatic effect since the effect is the same as if one looked at light through a prism.)

c) Reflection (Reflection is the change in direction of a wavefront at an interface between two different media so that the wavefront returns into the medium from which it originated.)

d) Refraction (Refraction is the change in direction of a wave passing from one medium to another or from a gradual change in the medium.)

Conclusion: Our three questions have come to an end. We have a clear winner today, and it is Team Blue! It was a tight competition, but the winner takes it all. Team Blue wins the prize money worth **** and also qualifies for our final round tomorrow, against winners from three other schools. See you next week for the Final round of Quiz Marathon.

Exit: Step out of the frame from the right-hand side

Creative Liberty: This is an indicative script. You can edit and tweak the introduction and conclusion according to your discretion. Add your own spin, humour or individuality to the script. Try to make it as interactive and engaging as possible. Pump in as much energy as you can in the audition.

DO NOT CHANGE THE QUESTIONS.

Help: You can have a friend or family standing behind the camera, to answer the questions for the quiz section. OR You can pretend to hear the answers from the imaginary audience behind the camera and enact accordingly.

Make sure your imagined audience or aide says at least one wrong answer from the given questions. Incorporate the trivia when responding to the answers.

Language: If you want to audition in a language other than English, please specify the language in the audition video file name (see below), and translate the script according to your understanding. It is also okay if you wish to record a bilingual version of the script. Please name your file correctly.

File Name and Extension: The video you upload should have a .mp4 extension. The file name should look like this: <<yourname>>-<<XMQMsample>>-<<language>>.mp4
